

#### ABOUT CERT....

*The goal is to train members of neighborhoods, community organizations, or businesses in basic response skills.*

*If a disastrous event overwhelms or delays professional response, CERT members can assist themselves, their family, and their neighbors by applying the basic response and organizational skills they learn during CERT training. These skills can help save and sustain lives following a disaster until help arrives. CERT skills also apply to daily emergencies.*

#### FREE EMERGENCY PREPAREDNESS TRAINING!

***Any member of the community that is interested in learning about family and community safety are welcome to attend.***
